APP Positioning

Connection Steps

1. Power on

The earphones will automatically power on after opening the charging case lid.

2. Wireless connection

Turn on wireless mode on your phone to search and pair the earphones.
Select device model: Baseus E9

3. Download the app and link the earphones to the app.

4. Power off

Put the earbuds into the charging case and close the lid to power off the earphones.

Function Operation

🎵 Music mode:

- ▶ Play/Pause: Put on/off (L or R)
- ◀ Previous song: press and hold the left earphone 1.5s
- ▶ Next song: press and hold the right earphone 1.5s
- ⋯ Switch to low latency mode: Double-tap left or right earphone (L or R)
- 🗣️ Activate the voice assistant: Triple-tap left or right earphone (L or R)
- 📞 Call mode:
- 📞 Answer/hang up: Double-tap left or right earphone (L or R)
- 📞 Reject a call: press and hold left or right earphone (L or R) 1.5s

Battery charge level indicator:

🔋 The charging case charges the earphone.

🔌 Connect the power supply to charge the charging case.

🔋 Supports Wireless Charging.

Low latency mode switchover:

Method 1. Double click the left or right earphone (L or R)

Method 2. Manually turn on/off on the Baseus app

Battery level display:

Open the lid or click the charging case to display the current battery level of the charging case

Restore factory settings:

Turn off wireless mode of the mobile phone. Open the earphone lid and then press and hold the charging case for 5 seconds.

Tips for using the app:

1. The effective duration of searching function is about 35 hours. Please use the function for searching missing earphones during this period.
2. When the searching function is turned on in the app, the earphones will sound an alarm. Please ensure to use this function when not wearing your earbuds to avoid hearing damage.

Note: Go to Settings>App>App launch>Open manually “Baseus” app: Allow Auto-launch, Allow secondary launch and running in background.

Product safety information

Improper use of the product can easily cause damage to the product or may endanger personal and property safety.

The battery is included in the product. Please avoid exposing your product to the sunlight, electric heater or similar overheating environments.

Do not store the product in high temperature, strong light and strong magnetic places.

Do not keep it in other harsh environments such as fire source. Intense physical actions such as knocking, throwing, trampling on and squeezing etc. shall be avoided. Do not use it in case of expansion.

The ambient temperature of product is 0~45°C.

Inappropriate use of the product against this user manual or ignoring warnings can easily cause damage the product or may endanger personal and property safety. Consumer shall bear for all the consequences, to which our company will not assume any legal liability.

Decomposition of this product by non-professionals is strictly prohibited.
