- Dimensions:  
(W) 596 mm  
(H) 845 mm  
(D) 600 mm

WIDE LED DISPLAY

EASY HEIGHT ADJUSTMENT

HALF LOAD

60 MINUTE WASH AND DRY

### Wide LED Display

Enjoy a dial free digital way to wash your dishes with a wide, easy to read LED display. It clearly displays the status, settings, remaining time and the cycle progress at a glance. This gives you the ability to closely monitor & control the dish washing process.

### Half Load

The Half Load setting gives you greater flexibility, allowing you to fill and clean items in the bottom zone only.

### Easy Height Adjustment

The flexible interior space is height adjustable. This allows the upper rack to be raised up or down an extra 5cm with the touch of a trigger. By creating more space in the lower rack you can fit in a wider variety of dishes, such as tall pots, wide platters and oversized plates.

### 60 minute Wash and Dry

A 60 minute Express Wash option gets your dishes clean and dry much faster. It's ideal for smaller loads of lightly soiled items that don't need really intensive cleaning, such as cups, cutlery and dinner plates, as it will put them through a complete washing and drying cycle within just 60 min.
